

Linfinity (Dynamic 3D Scene Graphs)

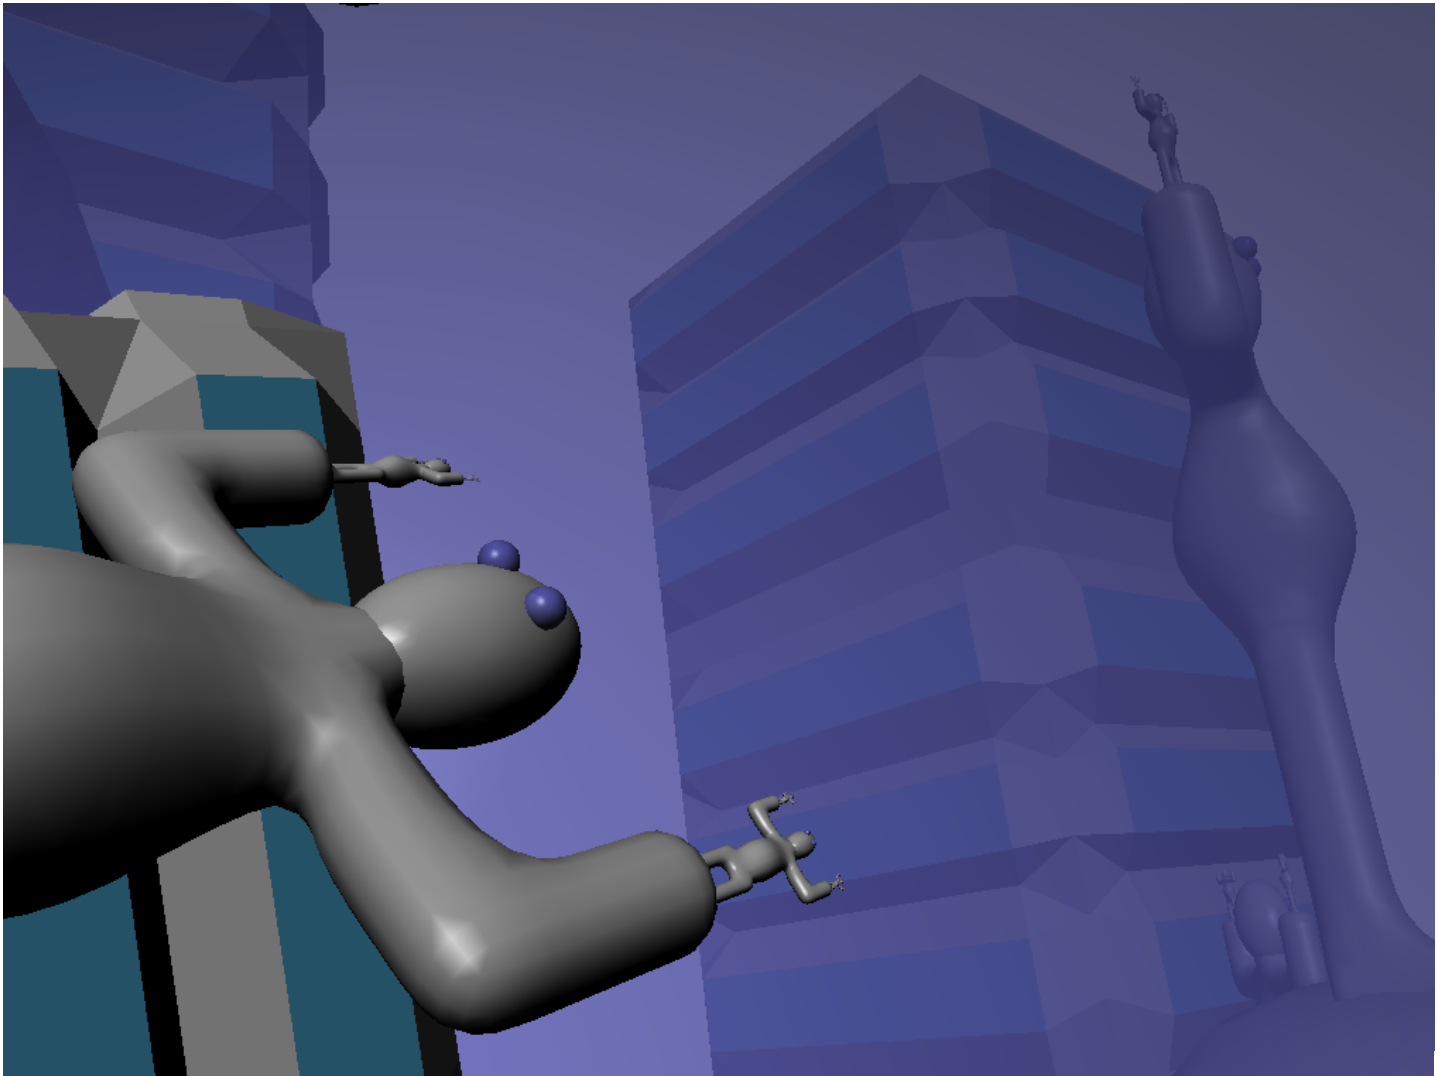

[Download Scene Composer & Viewer \(Windows Installer\)](#)

[Download Source Code](#)

An [article](#) explaining the implementation can be found on [gamedev.net](#).

Video Demonstration

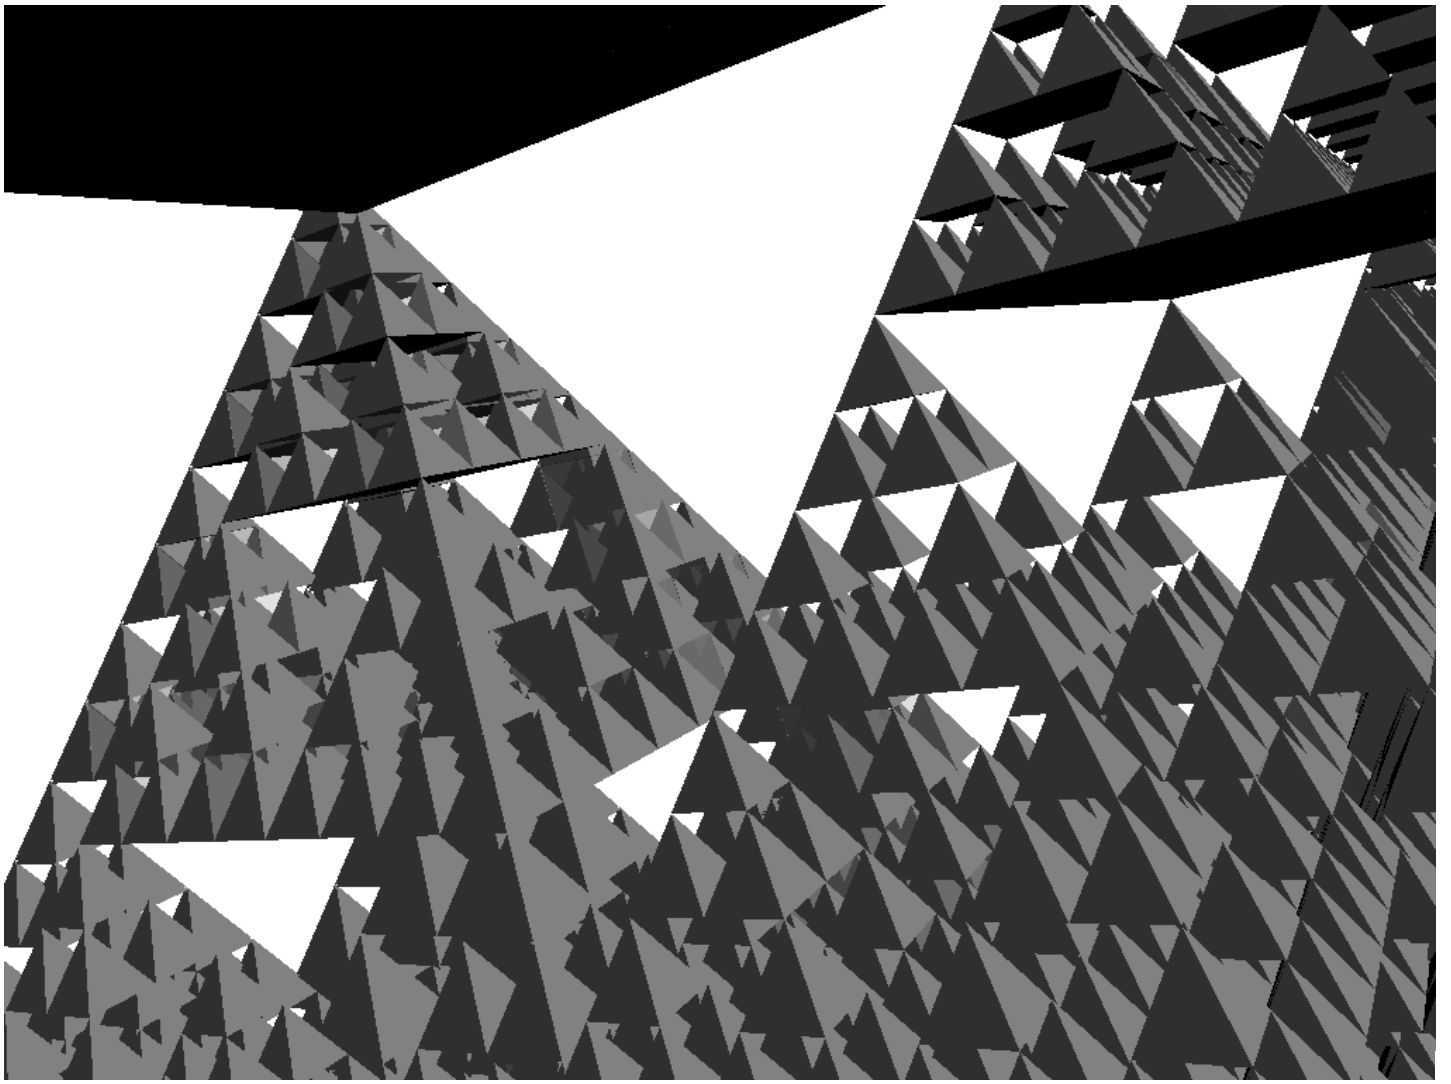

Screenshots

A more complicated scene with solar systems, planets, cities and people. New galaxies can be found in the eyes of the people.

An adaptation of the classic fern fractal within this dynamic scene graph system.

Sierpinski's Gasket in 3D.
